CONSTRUCTION AND STANDARD FEATURES

- Single-bowl design; 1.5" drain opening.
- Sink comes without an overflow. Check local codes. Optional integrated overflow is available.
- Optional integrated overflow must be situated in rear of sink. This model will not accommodate a front overflow.
- Wall-mount sinks have an open back to accommodate carrier arms for installation. Mounting hardware is not included. See installation manual for more details.
- One-piece construction using Engineered SculptureStone® (ESS) material.
- This material is non-porous, stain-, mold- and mildew-resistant.
- Approximately 70% of the material is organic, including minerals mined from the earth, making it “Green”.
- Five-Year Limited Residential Warranty.

- Before discarding packaging, check for accessories that may be inside.
- All product measurements are ±1/2".
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.
