

# WEM610

40" x 24" x 24" (H x W x D)

24" wide 220V electric range in white with coil elements and lower storage compartment; made in the USA

**Highlights:**

- Made in the U.S.A.
- 24 inch footprint offers an easy fit in small kitchens
- Lower storage area for added convenience

**Product Features:**

|                                         |                                                                                                                                                       |
|-----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Made in the USA                         | Designed and constructed domestically                                                                                                                 |
| Slim 24 inch width                      | Apartment-sized width offers all the functionality you need in a smaller footprint                                                                    |
| 24 inch depth                           | Shallower fit is ideal for L-shaped and galley kitchens                                                                                               |
| Storage compartment                     | Bottom drop-down compartment is ideal for storing cookware, helping to free up space in your small kitchen                                            |
| Safety burners with low wattage outputs | Designed to comply with the latest UL safety standards, the elements operate at lower wattage for slower but steadier heating that will not cycle off |
| Four coil elements                      | Three standard 6" and one large 8" element                                                                                                            |
| Chrome drip pans                        | Each coil element includes a removable chrome pan for easier cleaning                                                                                 |
| Waist-high broiler                      | Broiler is located inside the oven, eliminating the need to transfer contents to a separate compartment towards the floor                             |
| Recessed oven door                      | Smart design limits the depth and protects adjacent cabinets                                                                                          |

WEM610 Specifications:

| Overview               |                    |
