

# SCFF53BIF

34" x 23.63" x 23.5" (H x W x D)

Frost-free built-in undercounter all-freezer for residential or commercial use, with panel-ready door and black cabinet

**Highlights:**

- True frost-free operation saves you maintenance by preventing icy buildup
- Flexible design allows built-in or freestanding use in 24" wide spaces
- Customizable door front accepts full overlay panels for a seamless look that can blend into cabinetry

**Product Features:**

|                        |                                                                                                                                                                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Frost-free operation   | No-frost convenience eliminates the need to manually defrost the unit                                                                                                                                                                                                          |
| Built-in capable       | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                                                      |
| Panel-ready door       | Integrated stainless steel door frame accepts full overlay panels, allowing you to customize the refrigerator door or blend it into your cabinetry design; panel size: 23 1/2" W x 30" H and at least 3/4" thick, maximum weight: 10 lbs.; customers provide their own handles |
| Digital thermostat     | Electronic controls offer easy and intuitive temperature management                                                                                                                                                                                                            |
| Recessed LED light     | Elegant and efficient interior lighting automatically illuminates when the door is opened                                                                                                                                                                                      |
| Adjustable shelves     | Rearrange your freezer space to accommodate all shapes and sizes or remove shelves for a simple clean-up                                                                                                                                                                       |
| Open door alarm        | Audible alarm will sound if the door is left open longer than one minute                                                                                                                                                                                                       |
| High temperature alarm | High temperature alarm sounds if the unit's interior goes out of the recommended range                                                                                                                                                                                         |
| Sabbath mode setting   | Optional setting lets you disable the lighting and alarm for up to 48 hours                                                                                                                                                                                                    |

## SCFF53BIF Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Height of Cabinet          | 34.0" (86 cm)         |
