

# SNL03P

3.75" x 24" x 20" (H x W x D)

24" wide gas cooktop in bisque with 4 open burners and battery start ignition, made in the USA

### Highlights:

Made in the USA

24" size fits popular 22 5/8" W x 18 5/8" D counter cutouts

Battery start ignition is ideal for locations without standard electrical power access

### Product Features:

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| Made in the USA          | Designed and constructed domestically                                                                         |
| Classic 24" size         | Fits common 22 5/8" W x 18 5/8" D counter cutouts                                                             |
| Four open burners        | 9000 BTU burners with built-in enamel grates to meet most cooking needs                                       |
| Porcelain finish         | Scratch-resistant design for lasting durability                                                               |
| Bisque exterior          | Classic color suits almond and off-white kitchen design                                                       |
| Recessed top             | Curved design helps to contain spills on the surface                                                          |
| Battery start ignition   | Ideal alternative to pilot light sources when no power source is accessible                                   |
| Designed for natural gas | Set for use with natural gas connection. To convert for propane use, add Kit LP                               |
| Side controls            | Cooktop knobs are located on the right side of the cooktop, clearing up space in the front for easier cooking |
