

DW2435SS

34.5" x 23.5" x 22.38" (H x W x D)

24" wide ENERGY STAR certified built-in dishwasher made in Europe with stainless steel door and front controls

Highlights:

- ENERGY STAR qualified performance to save on electricity and water usage
- Stainless steel wrapped door offers a professional look
- Advanced sound absorption technology for quiet operation

Product Features:

ENERGY STAR certified	Uses less energy and water than national standards require to ensure more efficiency and lower utility bills
Digital touch controls	Intuitive touch button controls and LED display screen for easy use, with a program key printed on the control panel for added convenience
Front control panel	Easy access with touch control buttons
Stainless steel door	Attractive finish in durable stainless steel with a horizontal grain
Ultra quiet performance	Advanced sound absorbing construction
Large capacity	Interior holds up to 12 standard place settings
Stainless steel interior	Durable interior ensures long-lasting use
Slide-out nylon coated wire racks	Two easy-gliding racks for easy loading and long-lasting durability
Adjustable smart fold shelf	Top rack includes side pieces that help to hold tall glasses safely in place, or alternatively, allow you to maximize capacity by stacking smaller cups
