

# REX2451SSRT

36.5" x 23.75" x 24.25" (H x W x D)

24" wide smooth-top slide-in look electric range in stainless steel, with lower storage drawer and oven window

**Highlights:**

Smooth ceramic glass cooking surface ensures easy cleanup and safer cooking

24" fit is ideal for smaller homes

Slide-in style look lets you better integrate the range with your own backsplash design

**Product Features:**

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| 24" width                | Perfectly sized for apartments and smaller home kitchens                                                                             |
| Smooth ceramic glass top | Smooth cooking surface ensures improved safety and easy cleanability                                                                 |
| Oven window with light   | Easier monitoring of your cooking with an oven window and on/off light                                                               |
| Storage drawer           | Save even more space by storing your pots and pans in this pull-out compartment                                                      |
| Removable backguard      | Unit ships with low stainless steel backguard but can be easily converted to a traditional slide-in style for a more integrated look |
| Waist-high broiler       | Broiler is located inside the oven, making it easier to use                                                                          |
| Upfront controls         | Control panel is conveniently located to prevent users from reaching over hot cooktop surface for adjustments                        |
| Push-to-turn knobs       | To prevent accidents, knobs require a small amount of force when turning                                                             |
| Four cooking zones       | Surface features two 8" and two 6" elements to accommodate a range of sizes and cooking needs                                        |
