

# SBC58BLBIADAIF

32.25" x 23.63" x 22.75" (H x W x D)

Built-in undercounter ADA height commercially listed dual tap beer dispenser with panel-ready door and black cabinet

**Highlights:**

32 inch height fits under lower ADA compliant counters

Commercially listed to NSF-7 standards

Flexible design allows built-in or freestanding use in 24" spaces

**Product Features:**

|                       |                                                                                                                                                                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant height  | Sized at 32 inches high (32.25 to hinge cap) for installation under lower ADA compliant counters                                                                                                                                              |
| Commercially approved | ETL-S listed to NSF-7 commercial standards and meets UL-471 for use in foodservice settings                                                                                                                                                   |
| Built-in capable      | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                     |
| Complete tap kit      | Includes a 5 lb. CO2 tank and regulator, dual tap draft arm, Sankey American tap, connection hardware, and cleaning kit                                                                                                                       |
| Dual tap system       | Twin draft tower allows you to serve from two 1/6 (sixtel) sized kegs                                                                                                                                                                         |
| Panel-ready door      | Customize the front by mounting an overlay panel over the door; seamless look can blend into other cabinetry with no exposed frame. Handle not included (panel size: 23 5/16" W x 28 1/4" H and at least 3/4" thick; maximum weight: 10 lbs.) |
| Adjustable thermostat | Interior dial thermostat ensures easy temperature management                                                                                                                                                                                  |
| Automatic defrost     | No-frost operation for minimum user maintenance                                                                                                                                                                                               |
| User-reversible door  | Unit ships with a right hand door swing. For a left hand version, add option LHD upon order                                                                                                                                                   |

SBC58BLBIADAIF Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 32.0" (81 cm)      |
| Height to Hinge Cap        | 32.25" (82 cm)     |
