

# ALRF49BSSHV

32" x 20.88" x 22.5" (H x W x D)

Built-in undercounter ADA compliant refrigerator-freezer in black with reversible SS door, thin vertical handle for residential use, manual defrost with glass shelves, front lock, and door storage

**Highlights:**

Just 32" high for an easy fit under lower ADA compliant counters

Factory-installed lock offers added security

Less than 21" wide for use in space-challenged rooms

**Product Features:**

|                                 |                                                                                                           |
|---------------------------------|-----------------------------------------------------------------------------------------------------------|
| ADA compliant design            | 32" height allows easy installation under lower ADA compliant counters                                    |
| Built-in capable                | Front-breathing design lets you make the best use of space by installing your appliance under the counter |
| Freezer compartment             | Interior freezer compartment offers convenient storage for frozen items                                   |
| Door shelves                    | Three removable door racks for additional storage of larger items                                         |
| Adjustable shelves              | Three adjustable, spill-proof glass shelves for optimal storage in the 2.68 cu. ft. interior              |
| Fruit and vegetable crisper     | Get the longest life and best taste out of produce by storing greens in a convenient slide drawer         |
| Adjustable thermostat           | Dial thermostat located inside for easy temperature management                                            |
| Reversible stainless steel door | Stainless steel user-reversible door swing for added flexibility to best accommodate your setting         |
| 3" thick door                   | Improved insulation for an efficient performance                                                          |
