

WLL03P

3.75" x 24" x 20" (H x W x D)

24" wide off-grid propane gas cooktop in white with 4 open burners and battery start ignition, made in the USA

Highlights:

- LP gas cooktop made in the USA and ideal for off-grid living
- Battery start ignition is ideal for locations without standard electrical power access
- 24" size fits popular 22 5/8" W x 18 5/8" D counter cutouts

Product Features:

Off-grid cooktop	Pre-set for propane, with a battery start ignition system that doesn't require electrical access
Made in the USA	Designed and constructed domestically
LP/propane cooktop	Ships pre-set for use with LP gas
Battery start ignition	Uses a 9V battery (included) to ignite the burners, providing a convenient off-grid solution to kitchens previously using pilot lights when no electricity is available
Classic 24" size	Fits common 22 5/8" W x 18 5/8" D counter cutouts
Four open burners	9000 BTU burners with built-in enamel grates to meet most cooking needs
White exterior	Classic design in a clean white finish to match any kitchen
Porcelain finish	Scratch-resistant design for lasting durability
Push-to-turn knobs	Knobs require a small amount of force to ensure burners are not accidentally turned on
