24" wide slide-out drawer kit sized for easy installation on shallow depth refrigerators that have a gap between the counter and appliance top

Highlights:

Innovative space filler lets you transform the gap between a refrigerator and counter into usable storage space

Made in the USA

Panel-ready front lets you customize the look

Product Features:

24" wide space filler drawer	Designed to cover 2" of vertical space between an appliance and the countertop
Stainless steel construction	Durable design in real stainless steel, with a horizontal grain over the front to match most styles of appliance doors
Panel-ready front	Customize the look by mounting your own panel over the front in just a few simple steps
Smooth gliding extension	Drawer glides smoothly for convenient storage
Versatile use	Ideal for storing utensils, cookbooks, menus, and other non-refrigerated items commonly used in the kitchen
Easy installation	Ships with an L-bracket equipped with adhesive for fast installation on your refrigerator (no drilling required)
Removable design	Easy to add or remove as your storage needs change
Shallow depth	Sized at 17 1/8" deep for an ideal fit over Summit's Shallow Depth refrigeration lineup, as well as other brands manufacturing refrigeration less than 18" deep
Made in the USA	Designed and constructed domestically
